| Series: | **Education In Love** |
| Group: | **Understanding God's Loving Laws** |
| Theme: | **Love & Truth Principles** |
| Presenter(s): | **Jesus** |
| Description: | **Jesus briefly summarizes God's Principles of Love & Truth that govern the operation of God's Laws, gives examples of the way these principles are built into God's Laws, and answers audience questions about the principles** |

| **Love Principles** | |
|---|---|
| **Summary** | **Love principles envelop God's Love around each creation, principle and law ensuring:**<br>Love governs all principles<br>Love is enforced, compelled and upheld<br>All creation experiences God's Love in different degrees<br>All creation demonstrates and facilitates the flow of God's principled love<br>The human soul can enter a love based relationship with God |
| **Definition**<br>(What the principles are) | The law shall be love and uphold love<br>The law enforces and compels love<br>The law demonstrates and facilitates the understanding of love<br>The law is compassionate |
| **Objectives**<br>(Why the principles are applied to law) | To ensure all creation experiences the expression of God's Love<br>To ensure the human soul learns about the availability of God's Personal Love<br>To ensure the survival of all creation collectively<br>To ensure loving order in all creation |
| **Application**<br>(The creation and laws affected) | Every law<br>All matter living and non-living |
| **Reveals**<br>(What the principles reveal about God) | God's great desire is for all of His creation to be loved<br>God's Love is the highest governing principle of the Universe<br>God feels Love is more important than all other things |
| **Examples**<br>(The principles' applications in law) | **Gravity**<br>Lovingly promotes an environment that results in my being able to fearlessly express myself and enjoy my life.<br>**Aerodynamics**<br>Gives me a possible experience which exceeds my gravity bound state resulting in enhanced joy and amazing wonder.<br>**Law of Compensation**<br>Compensation lets me know when love has been upheld or compromised by my attitudes, emotions, thoughts or actions.<br>**Law of Forgiveness**<br>Compassion is demonstrated to me if I am repentant by allowing forgiveness for unloving emotions, feelings, thoughts and actions taken, even when I cannot correct all of the effects of what I have done. |

# Love & Truth Principles

| Love Principles | |
|---|---|
| **Conclusion** | **Love principles:**<br>Are impossible for humans to apply fully without receiving God's Love<br>Ensure purposeful existence and happiness for all creation<br>Are principles most frequently opposed and ignored by humans<br>Are the principles we have been teaching |

| Truth Principles | |
|---|---|
| **Summary** | **Truth principles envelop God's Truth around each creation, principle and law ensuring:**<br>Truth is inseparably joined with Love as the highest of all principles<br>Truth is enforced and compelled<br>All creation lives within the framework of mathematical, scientific, spiritual and emotional fact<br>Precision and certainty in the fabric and framework of creation |
| **Definition**<br>(What the principles are) | The law shall be God's Truth<br>The law shall expose God's Truth and uphold God's Truth<br>The law is the spiritual, emotional, scientific and mathematical fact<br>The law is the fabric and framework of creation<br>The law enforces and compels truth |
| **Objectives**<br>(Why the principles are applied to law) | To ensure all creation experiences God's Truth<br>To ensure the human soul learns God's Truth<br>To provide a fixed framework for the operation of Love<br>To provide dependable and predictable law |
| **Application**<br>(The creation and laws affected) | Every law<br>All matter living and non-living |
| **Reveals**<br>(What the principles reveal about God) | God's great desire is for all of His creation to be in harmony with Truth<br>God's Truth is the framework for the expression of Love<br>God feels Truth and Love are indivisible |
| **Examples**<br>(The principles' applications in law) | **Gravity**<br>Is scientifically measurable and mathematically defined so that I can use the law with knowledge and certainty in my activities and life.<br>**Aerodynamics**<br>The law defines the primary conditions for flight, and once understood, I can build a device which engages the facts in order to fly.<br>**Physical properties of elements & substances**<br>All matter has individual characteristics and properties, and each element of the same kind will exhibit the same properties and react the same way under specific circumstances. Each substance of the same kind exhibits the same "truth".<br>**Law of Attraction**<br>Exposes to me the truth of my own condition by attracting circumstances and situations that expose the truth about my condition. Once I know my condition, I can see the causes for the events I attract. |

| Truth Principles (cont'd) | |
|---|---|
| **Examples**<br>(The principles' applications in law) | **Physical illness in the human bodies**<br>If I am ill, the truth principles in the Law of Compensation, the Law of Cause and Effect, and the Law of Attraction work together to expose that I am attempting to emotionally deny a truth about love (whether it be love of self, other half, others or the environment). |
| **Conclusion** | **Truth principles:**<br>Are impossible for humans to understand without receiving God's Love<br>Ensure existence, harmony and predictability for all creation<br>Ensure fearlessness, security and safety for all creation<br>Are principles most frequently opposed and ignored by humans<br>Are the principles we have been teaching |
